Starting orders will be posted a minimum of 24 hours prior to the start of the competition.

GENERAL INFORMATION

1. Skaters may enter only one event per discipline of singles and interpretive. If short and free programs are listed as separate events, skaters may enter one short program and one free program. Pre-Juvenile skaters may also enter a STAR 7 or 9 short program category in addition to the competitive category. Skaters choosing to enter more than one event including supplementary STAR events do so with the understanding that there may be scheduling conflicts that are unable to be resolved.
2. All categories: Should entries in an event be exceedingly large, the event will be divided into smaller groups. Each group will be considered a final.
3. Should there be only one entry in any event, the competitor may skate for an evaluation*, skate up one level, or withdraw and the entry fee will be refunded. If there is a last-minute withdrawal in an event that had only 2 entries, the same options apply for the remaining skater.
*Skating for an evaluation is only applicable to competitive categories and STAR Free Skating Categories. If a technical panel is not available the evaluation will be for Program Components only.

Note that in BC/YK Section competitions, men and women will compete together in all STAR Supplementary Events and Solo Dance events.

4. MARKING: Please see the STAR Competition Program Requirements on the Section website for the marking criteria for each of the STAR and Supplementary Event categories. Note that the lower levels are all assessed with ribbons awarded. Competitive categories are all marked in CPC.

5. WARM UP TIMES:

STAR 2	3 minutes
STAR 3 -5	4 minutes
Star6 to Gold Free Skate	5 minutes
Pre-Juvenile Singles	5 minutes
Interpretive	3 minutes

The warm up periods may be reduced to a minimum of 3 minutes at the discretion of the Referee. All warm-up periods for one event must be equal.

MUSIC REQUIREMENTS:

- **ALL SKATERS with the exception of STAR 1 must submit an individual CD when they register at the competition.**
- Only CD's will be accepted. Only one program shall be recorded on each CD.
- The start of the music shall be recorded on the CD with less than two seconds of lead in.
- Competitor's name followed by category, program type – short or free – and music time (not skating time) shall be clearly printed on one side of the CD. **THERE ARE TO BE NO LABELS OR STICKERS ON THE CD'S.**
- Each CD shall be enclosed in a plastic case, also marked with the skater's name, home club, category, program type – short or free - and total music time.
- Competitors must hand in their music at the registration desk at least one hour prior to the start of their event. The Organizing Committee will accept no responsibility against damage but will take every precaution to safeguard each CD.
- **A backup CD is a requirement of each competitor and should be at rinkside during the skater's performance.**

6. COACHES: In order to be at ice level during the events, it is mandatory for all participating coaches to register at the competition and have proof of coach registration & accreditation. Temporary accreditation will be issued by showing current Skate Canada membership and first Aid information for \$25.00 per day (payable to the BC Coast Region Coaches Committee).
7. ADMISSION will be free to all.
8. AWARDS will be presented immediately following the posting of results for each category.
9. There will be a photographer at this competition for official and action shots. Persons wishing to take photographs of on ice performances are reminded that use of flash cameras is forbidden. The use of video cameras must be restricted to areas that do not hamper the skaters or officials. **PLEASE NOTE:** you may only take pictures or videos of your own skater.
10. Protest Policy: Skate Canada Protest Policy for competitions using CPC will be followed. In addition, if there is an event using manual calculation where the results are not posted within one hour of the completion of the last event of the day, the protest must be made to the Event Referee within the first hour of the following day's competition. If the Event Referee is unavailable, the protest may be made to the Technical Representative or Chief Referee.
